Gratitude for Your Gifts

You make all the difference! Your generosity helps writers find validation and inspiration through writing and sharing in a supportive community. No matter the size, each and every gift adds up to support scholarships and to reach young women experiencing or at risk of homelessness, survivors of domestic abuse, women in jail, youth in after-school programs, and so many more.

Donations and fundraisers provide over one third of the funding needed to offer writing circles in which every voice is honored, and in which writing is valued as a form of creative self-expression and self-discovery. In 2020, individual donations reached **$106,603,** and included funding a new roof at Women Writing for (a) Change! **All fundraising efforts combined totaled $138,466. Thank you.**

It is with deep appreciation that we list all who made contributions *to Women Writing for (a) Change during 2020 and* ***all who are honored or remembered with these gifts.*** **Gratitude to each of you!**
