Mobilize your network - friends, family, neighbors, co-workers, churches, or civic groups - to collect nonperishable and ready-to-eat food.
Most needed items include:

- Easy-open, ready-to-eat foods (pop-top cans, protein bars, peanut butter, cereal, applesauce – reference the Amazon Food List)
- Shelf-stable meals (soups, pasta, rice)
- Low-prep snacks and microwaveable items

When your collection is ready, contact us to coordinate delivery or pick-up. ✉️
