Phone: (909) 383-6733 / (909) 289-2836

For Immediate Release

SR-60 Corridor Improvement at Ramona Avenue Overcrossing in the City of Chino Weeknight Lane Closures January 30 and 31, 2023

SAN BERNARDINO, CA – The California Department of Transportation (Caltrans) informs the public that construction contractors will perform work operations and lane closures for the $8.7 million State Route 60 (SR-60) Corridor Improvement Project at Ramona Avenue Overcrossing in the City of Chino.

Work will occur on Monday, January 30 and Tuesday, January 31 from 9:00 p.m. to 5:00 a.m. This will require EB and WB closures of HOV and #1 lanes to perform k-rail removal. Closures are dependent on contractor receiving proper materials for each job function. They can be changed or canceled at any time.

The current posted speed limit on SR-60 is 55 mph following Construction Work Zone Speed Limit Reduction provisions.

To avoid traffic delays consider using alternate routes on SR-71, SR-91 or I-210, to access surrounding communities.

The project is expected to be complete in late 2023. Please use caution and reduce your speed in the construction zone.

Know before you go! To stay on top of roadwork in the Inland Empire go to Caltrans District 8 and sign up for commuter alerts. Follow us for the latest information on Facebook and Twitter. To assist in planning your commute, vie live traffic conditions using QuickMap and planned lane closures.

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Public Affairs at 909-383-4631 or TTY 711.
