FOR IMMEDIATE RELEASE

I-15 Pavement Rehabilitation from Hesperia to Victorville
February 27 – March 4

SAN BERNARDINO – The California Department of Transportation (Caltrans) continues work to rehabilitate 59 miles of lane, ramps, and drainage systems on Interstate 15 (I-15) in San Bernardino County. The project spans from Oak Hill Road in Hesperia to just south of Bear Valley Road in Victorville. Crews continue excavation and paving operations: north and southbound.

Monday through Saturday – 2/27 through 3/4 *(Weekend schedule subject to change)*

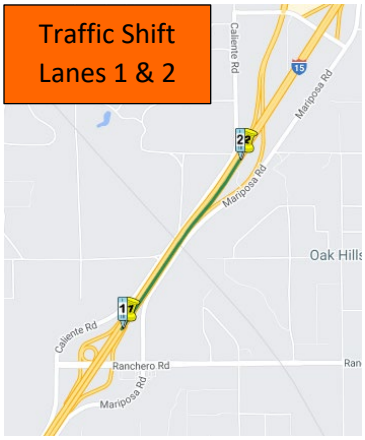
In the event of significant rain *- NB and SB lanes #1 and #2 will close due to potential rain.*

Northbound I-15 from Oak Hill Rd to Bear Valley Rd - **7:00 p.m. to 9:00 a.m.**

- Alternating lane closures, possibly bringing lanes down to one.
- *All on / off ramps are subject to intermittent closures* for crew safety and related roadwork.

Southbound I-15 from Bear Valley Rd to Oak Hill Rd – **7:00 p.m. – 6:00 a.m.**

- Alternating lane closures, possibly bringing lanes down to one.
- *All on / off ramps are subject to intermittent closures* for crew safety and related roadwork.



New lane configuration in place: Lanes 1 and 2, NB and SB**,** shift inward toward the newly configured center median, splitting from the 3 adjacent lanes, with k-rail on both sides for approximately 1 mile. Traffic, NB & SB, may use these newly constructed lanes temporarily until construction is complete.

Possible **connector closures** at the **NB I-15 to NB US 395** during operations.

Big rigs, trucks and trailers, or large loads SHOULD NOT use lanes 1 & 2. **Be alert: Work trucks entering and exiting from center median**. To avoid delays, use SR-138 to SR-18 in Phelan back to I-15 as a detour. Use caution and reduce your speed when approaching and driving through the construction zones.

The project is expected to be complete in early 2025.

Follow us for the latest information on Facebook and Twitter. You can plan your commute and view live traffic conditions using QuickMap and planned lane closures.
