SAVE THE DATE!

January Diabetes Network Meeting: A hybrid event!

We're excited to announce that our next Network meeting on January 17th will have two components:

- **The quarterly presentation *(online or in-person)***
- **Opportunities to connect with others in the Network *(in-person only)***

Presentation: "Dissecting the Emotional Burden of Diabetes"

Speaker: Anna Sabino, MSW, CDCES

The talk with include:

- An overview of the impact of a diabetes diagnosis across the lifespan.
- A review of current literature on the emotional impact of living with diabetes and the significance of integration and prioritization of behavioral health in diabetes.
- A discussion about applicable communication strategies, referral techniques, and support networks for people living with and those affected by diabetes.
- A live Q & A

Continuing Education: 1 CEU will be available for nurses, pharmacists, registered dietitians, and social workers.

Registration and meeting link to come!
