About ACG Orlando

ACGOrlando.org

We're the drivers of middle market deal-making and corporate growth.

Our members are business professionals in the top of their fields. They are experts representing middle market corporate growth companies ($10 million to $1 billion) here in Central Florida and beyond. ACG Orlando members include middle market companies, private equity firms, commercial and investment bankers, accountants, attorneys and other professional advisors dealing in acquisitions and corporate finance. We offer events focused on building member business relationships, and provide a forum for members to facilitate and promote corporate growth organically, as well as through transactions. Our mission is to be the premier networking organization in Central Florida for high-level middle market professionals to connect, learn, engage and generate business from trusted relationships.

Annual Chapter Sponsors

In Central Florida, ACG Orlando's Annual Chapter Sponsors are more than generous donors—they are true partners in our mission to drive corporate growth and success. Our Annual Chapter Sponsors **receive the broadest recognition** across all events and online throughout the year. Their support plays a critical role in fostering connections, driving business opportunities, and enhancing the region's middle-market ecosystem.

Chapter Event Sponsors

Event Sponsors bring energy and excitement to our Chapter events, adding a dynamic edge to ACG Orlando's year-long programming. Our events cover topics relevant to the corporate and deal-flow community while also offering fun, engaging opportunities such as the **annual Private Equity Wine Tasting** and specialized lunch and after-hour sessions tailored to specific market segments.

We are proud to continue our tradition of celebrating excellence in the middle-market sector with our signature event, the annual **SMART Awards Luncheon** held each May, which recognizes outstanding companies making an impact in Central Florida.

Why Sponsor?
