2023 SUMMER camp guide

Online Registration Begins February 1, 6pm

www.HowardCountyMD.gov/rap

Welcome to the 2023 Camp Guide!

It may still be chilly outside, but Howard County Recreation & Parks is already planning cool activities for hot sunny days. Our fun-packed, award-winning camps had over 25,000 registrants last year and we hope to welcome them (and their friends) back this year!

Looking for something new? Then check out Abrakadoodle: Adventure to Africa (page 12), Learn to Cook with American Girl Blaire (page 22), Play Squash Academy Camp (page 46), and many more.

Enjoy active, indoor and outdoor weeks; build a robot; create some slime; score a goal and more through our educational, interactive, and fun-packed opportunities. Your child will be having so much fun they won't want to stop.

We offer everything from Flag Football (page 40), as seen on the front cover, to Adventure & Outdoors (page 4), History & Archaeology (page 20), Magic & Circus (page 26), and plenty of Sports options (starting on page 38).

Looking for a longer day? Be sure to check out our sun logo (☀) for camps that run at least eight hours. We encourage you to browse through the guide to find out what works best for you and your family. There's such a variety of camps here that you'll be filling your calendar before you know it. And if you're starting your summer with a vacation, no worries, we'll be waiting for you when you get back.

Just don't wait too long to sign up for our camps, many of these programs fill quickly!

Sincerely,

Calvin Ball, Howard County Executive

A. Raul Delerme, Department of Recreation & Parks Director

County Executive Calvin Ball

Director A. Raul Delerme

Cooking Ever After with Club SciKidz: Our favorite children's stories and fairy tales come to life in this camp through cooking! Become a fairy and create your own Pixie Dust. Read and act out stories and create your own Stone Soup. The Three Little Bears comes to life as we create a bear mask and a "beary" cute treat. Join the Lost Boys of Peter Pan to create Pirate Ship Pizzas. For ages 4-6.

Culinary Artist Extraordinaire with Club SciKidz: Art makes the world beautiful, and cooking makes the world delicious! Culinary artists bring art and cooking together in an exciting, new way! Learn about different artists, kinds of art and art techniques. Then prep, cook and bake treats that use a technique, style or specific artwork for inspiration. Learn about how artists use different techniques, such as pointillism, to create unique pieces of art. Explore how different artists use geometric forms and make Kandinsky Cakes. And don't worry – abstract art is included and discover that it's just as delicious as it is abstract! This camp is the perfect combination of cooking and art, and we can't wait to see what your culinary artist creates! Lab fee of $20 is due to instructor on first day of camp. Sections offered for ages 6-8 and 9-12.

Culinary Creations with Club SciKidz: Come join us for a week of culinary creations! Focus on a new theme each day. Travel under the sea to learn about various sea creatures and make Octopus Cupcakes. Travel back to land and learn about insects and bugs by making Lady Bug Cookies and a healthy snack like Vegetable Bugs. Grab your camping gear as we explore the great outdoors to make the cutest campfire cupcakes and some snacks that are perfect for your next camping trip! Enjoy learning about our world while creating new and fun recipes. For ages 6-8.

Cupcake Wars with Club SciKidz: Tie on your apron and prepare for battle! Come learn about the principles of baking. Take these tools to the kitchen as you compete in a different cupcake baking challenge each day. Begin with the basics, and by the end of the week, make cupcakes and frosting from scratch. Each day has a different challenge theme, such as Breakfast, Color Surprise, and Summer Fun! Prepare to get creative and enjoy the competition, all while learning basics of baking! Lab fee of $20 is due to instructor on first day of camp. This camp has been updated for 2023 and contains new activities! Sections offered for ages 6-8 and 9-12.

Galactic Kitchen with Club SciKidz: Blast off into space with this camp favorite! Using rockets as inspiration, we'll make Rocketship Kabobs and Rocketship Pizzas. We'll also use science to make our very own rockets. Learn about our cosmos through delectable treats and crafts. Bake and create Space Rocks from scratch, and identify constellations and bake your own Constellation Cookies. Prepare for a close encounter as we make adorable alien cupcakes and magnets. Besides baking, we'll do some painting and creating out-of-this-world picture frames and coasters. For ages 6-8.

Game On! with Club SciKidz: This camp uses the wonderful world of sports for its inspiration! Baseball, football, and basketball are our nation's favorite pastimes, and we're combining them with another favorite pastime: eating! Learn about (and play) our favorite sports and then create delicious recipes that connect to the sport. Make your own handheld basketball game and then move from the court into the kitchen to make basketball cake balls! For baseball, play an exciting game of tee-ball and then head back to the kitchen to do a baseball-inspired craft and make two different kinds of baseball pretzels! And golfers – never fear – you won't be forgotten! Make your very own Hole-In-One donuts! This camp is sure to be the MVP of your summer! Sections offered for ages 6-8 and 9-12.

Please check online for new and updated camp sections (https://tinyurl.com/hcrpregister).

Jurassic Chef with Club SciKidz: Travel back in time to the land of dinosaurs and learn about the dinosaurs through cooking! Create your very own Dinosaur Footprint Flapjacks. Hatch your own Dinosaur Egg by creating a chemical reaction. Explore the prehistoric era by making your own fossil egg and Dinosaur Dirt. Discover animals locked in time by creating Dino DNA Amber Treats. For ages 4-6.

Kitchen Chemist with Club SciKidz: In this camp, the kitchen becomes a scientific laboratory where you are both a scientist and chef as you learn about a variety of chemical reactions, oxidations, and the scientific method. Learn all about lemons and use this sour fruit as inspiration for a science experiment and a tasty treat. What do the Statue of Liberty, a penny, and ketchup have in common? Your camper(s) are able to tell you, along with telling you about the fourth state of matter! Who knew science could be so delicious? For ages 6-8.

Magical Mash-Up with Club SciKidz: Travel with us to the land of all things magical and sparkly! Glitz and glam is a key ingredient as we make yummy recipes and magical crafts. Make a feast of unicorn desserts and a DIY unicorn planter. Mermaid fudge keeps our bellies full, and mermaid sugar scrub keeps our skin feeling smooth! Our final stop is the enchanted forest, where we make Dragon Scale Slime and mini-Witch Cheesecakes. Join us for this magical journey filled with color and sparkle! A $20 lab fee is due to the instructor on first day of camp. For ages 9-12.

Nailed It! with Club SciKidz: Join us for another set of exciting baking and cooking challenges! Just like in the TV show, campers are given a culinary task to re-create each day. Campers are provided with the inspiration and the recipe to re-create the masterpiece. Use creativity and resourcefulness in the kitchen to make a masterpiece. This summer, your camper takes the challenge of making homemade hamburger cupcakes, melted snowman cookies, unicorn poop cupcakes and more! Can your chef "Nail It?" A $20 lab fee is due to instructor on first day of camp. This camp has been updated for 2023 and contains new activities! For ages 9-12.

School of Culinary Wizardry with Club SciKidz: Join Harry in the kitchen and try your hand at some magical and mystical culinary creations. Your adventure begins with Sorting Hat cupcakes and choosing and creating your own magic wand. Continue to Hogsmeade and create Butterbeer and Golden Snitch Truffles. What magical spells will you use in your creations? The Ministry of Magic will undoubtedly enjoy your treats! For ages 9-12.

NEW! Abrakadoodle: Adventures in Process Art

This camp celebrates your child's experience throughout the art-making process. Process art is focused on the creation of the artwork, not on the outcome or product. We encourage students to use materials in unique ways, imagine multiple possibilities and directions for their work, and take creative risks. For these reasons, process art is great for campers who are just starting to dabble with art and explore materials, older students who still need time for experimentation and risk-taking to spur on their creative process, and anyone in between.

NEW! Abrakadoodle: The Art of Architecture

Have you ever thought about the structure and design of your home or school as art? Architecture is a functional form of art that is found all around us. Not only are there specific architectural styles to learn and discuss, but elements like shape, form and texture are also included in architecture. Campers think like architects as they design their own pieces of art. Learn about famous structural landmarks with lessons about Fallingwater and other buildings designed by Frank Lloyd Wright or the Leaning Tower of Pisa. Campers find STEAM (Science, Technology, Engineering, the Arts and Mathematics) connections with engaging art projects.

Seeking 13-16-year-olds who...
· Are proactive and take initiative.
· Possess a positive attitude and cooperative spirit.
· Have a genuine interest in working with children and developing leadership skills.

Step 1: Training (Required)

Training is designed to prepare Junior Counselors (JRCs) for on-site field experiences. It is high-energy, interactive and hands-on. Mentors review the curriculum and teach JRCs how to effectively assist with activities and general administrative duties. Please note that JRCs who attended training but served at no field experience(s) in 2022 are considered new counselors in 2023 when registering. All new and returning JRCs must complete training prior to serving at any on-site field experience. **Registration begins February 1, 6pm online.**

American Girl Camps by Rita Snyder & Associates

Hands-on activities make each day especially fun with related arts and crafts, cooking, games, music and more! Make different recipes for each camp. Personalize a cookbook of the recipes made in camp. Full-day and half-day options available.

NEW! Learn to Cook with American Girl Blaire

Enjoy using your creativity to make yummy farm-to-table recipes using fresh fruits and vegetables, just like Blaire! Make homemade goodies from scratch. Have fun measuring and mixing ingredients, putting them in the oven and waiting for the magic to begin. Each day has different treats on the farm restaurant menu (ex: cupcakes, muffins, etc.), just like Blaire would make! Cooking emphasizes reading comprehension, math and chemistry. While waiting for the goodies to cook, make gardening and cooking crafts for you and your doll.

NEW! Journey to Hogwarts with the American Girls

Pack your bags and meet at Platform 9 ¾ to visit Hogwarts School of Witchcraft and Wizardry. You and your doll enjoy the different houses (Gryffindor, Hufflepuff, Ravenclaw, and Slytherin) and take classes with Harry. Visit Diagon Alley to make the necessary school supplies for both you and your doll (a wand and hat); transform ordinary clay into wizard money; brew up a concoction in Potions class in a special doll-sized cauldron; and make chocolate frogs and other magical treats. Each day offers magical arts and crafts, cooking, games, and other hands-on activities for both girls and dolls!

NEW! Journey to Fun with the American Girls of Today and Yesterday

Meet two of the newest American Girls of the Year: Corinne Tan (2022), who lives in Colorado and loves winter sports, and Kira Bailey (2021) who visits Australia and learns about its native animals such as kangaroos and koalas. Travel back in time to experience the NYC Harlem Renaissance in the 1920s with the newest historical doll, Claudie Wells. Learn about the groovy 1970s with American Girl, Julie Albright. Each day is made even more special with related arts and crafts, cooking, games, music, and other hands-on activities!

NEW! Journey to Fun with the American Girls of Today 1

This camp is designed especially for you, an American Girl of Today! Each day is made special with theme- related arts and crafts, cooking, games, music, and other hands-on activities! Themes include Pajama Party Day, Pet Pals Day, Flower Power Day, Beach Party Day. Design and make crafts and accessories for you and your doll!

Journey to Hogwarts with Harry Potter by Rita Snyder & Associates

Pack your bags and meet at Platform 9 ¾ to travel to Hogwarts School of Witchcraft and Wizardry. The books come alive as you visit each house (Gryffindor, Hufflepuff, Ravenclaw, Slytherin) and take classes with Harry through his years at Hogwarts. Each camp includes creating different crafts, plenty of hands-on activities, playing Quidditch (on brooms!) and competing for the House Cup with Harry Potter trivia. You'll have more fun if you've read the books, but it's not required. Each camp offers a unique experience. Campers do different activities based on the book for each camp, but Quidditch is played at every camp! Camps can be taken in any order. Full-day and half-day options available.

Harry Potter 1: The Sorcerer's Stone
Your invitation to Hogwarts has arrived! First-year students visit Diagon Alley to make your necessary school supplies, transform ordinary clay into wizard money, make your own spell book and learn to write with a quill, brew a special potion in Potions class, and play Quidditch.

Harry Potter 2: The Chamber of Secrets
Welcome back to Hogwarts for your second year! Activities include learning spells and joining the Dueling Club, creating your own unique magical creature during Care of Magical Creatures class, making mandrakes during Herbology, creating your own wizard trading card, concocting Polyjuice in Potions class, and playing Quidditch!

Harry Potter 3: The Prisoner of Azkaban
Third-year students have a special trip in store for them – visiting Honeydukes and making wizard candy! You'll also make your own Marauder's map, learn the art of reading tea leaves in Divination class, realize your worst fear as you create your own boggart and the spell to banish it in Defense Against the Dark Arts class, make a special edible potion to bring you luck in Potions class, and play Quidditch!

Harry Potter 4: The Goblet of Fire
For fourth-year students, camp begins at the Quidditch World Cup! Find out what country you'll be playing Quidditch for in the playoffs. Write predictions with a quill in Divination class and contribute an article to the Summer 2023 edition of the Daily Prophet to take home! The biggest adventure of all is competing in the Triwizard Tournament, and completing each of the three tasks, if you dare!

Harry Potter 5: The Final Saga
Based on books 5-7 in the Harry Potter series: The Order of the Phoenix, The Half-Blood Prince, The Deathly Hallows. Your last years at Hogwarts find you testing your wizarding mettle against the dark forces of Voldemort. Train for Dumbledore's Army, take apparating lessons, design and make your own product for Weasley's Wheezing Wheezes, make food and attend Slughorn's party, and hunt for horcruxes!

Harry Potter 6: The Magic Continues
Want more Harry Potter? Explore in-depth Hogwarts classes including Potions, Defense Against the Dark Arts, Divination, and Quidditch! Discover the "muggle" history of the magic at the heart of the Harry Potter stories. Learn about fantastic beats and where to find them as described by the famous magizoologist, Newt Scamander. Concoct potions, create other new crafts based on Hogwarts subjects, learn "real" magic tricks from a visiting professor, play Quidditch (on brooms!) as well as do some activities you've loved from the other Harry Potter camps.

Harry Potter 7: Baking Magical Sweets and Treats
Experience the world of Harry Potter in an entirely different way – by making foods from the Harry Potter books! Learn to bake from-scratch cauldron cakes and pumpkin pasties sold on the Hogwarts Express, special cookies from the Hogwarts School of Witchcraft and Wizardry, yummy treats found at Honeydukes, and edible Golden Snitches! While waiting for the magical concoctions to bake, you'll play Quidditch (on brooms!), cast spells, and make wizardry crafts, including your own wand and broom. Compete for the House Cup with Harry Potter trivia. You'll have more fun if you've read the books, but it's not required. Personalize a cookbook with all recipes made in camp to have on hand for your next Harry Potter party!

Little LEGO® Engineers
Become an engineer and create a forklift, KatZilla, bulldozers, and dragsters with LEGO® WeDo! Not only do you get to build these models but also program them to move with a computer. Learn to build and program LEGO®s while learning about gears, axels, and motors.

Little LEGO® Robotics
Play with some different WeDo model builds. Learn how to code and program LEGO® WeDo robot builds to move. Construct a giant that awakens when there is movement nearby! Build a racing car, a space shuttle, and a jumping rabbit… all programmed by you!

WeDo Robotics: Adventure Stories
Join us on an adventure using LEGO® bricks and LEGO® WeDo robots to build an airplane rescue, a giant escape, and a sailboat storm. Learn how to program and operate your creations using a laptop computer and LEGO® WeDo software. This is a great camp to get introduced to the beginning stages of programming.

WeDo Robotics: Amazing Mechanism
Enjoy using LEGO® bricks and LEGO® WeDo robots to create a variety of different mechanisms. Projects include a hungry alligator, a flying bird, and a roaring lion. Learn how to program and operate your creations using a laptop computer. This is a great camp to learn the basics of programming!

7-11 yrs

Build a LEGO® Mindstorms Robot. Each theme is a different topic. Learn basic programming to make your robot move and steer. As we advance, use your new knowledge to solve challenges (following a path, driving in a square, and avoiding obstacles). Learn, build, and program LEGO® robots!

Advanced LEGO® EV3
Discover the fantastic possibilities with LEGO® EV3 robots! Using LEGO® EV3 software, learn basic and advanced programming. Start with basic programming to move and steer a robot rover. Then use your new knowledge to complete challenges such as making your robot drive in a square, complete a maze, run a race, and more!

LEGO® EV3 Robot Adventures
Realize the opportunities with LEGO® EV3 robots! Using LEGO® EV3 software, learn basic and advanced programming. Start with basic programming to move and steer a robot rover. Quickly advance to learn loops and incorporate touch and ultrasonic sensors in your programming. Challenges include programming a robot to run the bases on a baseball diamond and to use a color sensor to follow a path.

NEW! The Brick Nook with LEGO® Camps

This camp is a fresh and fun way for you to spend your summer! Guided by our experienced teachers and built around exciting themes using LEGO® bricks to build designed models and play LEGO® games. Using specialized LEGO® pieces, work in pairs to construct a variety of models, as well as build creations of your own.

Coding and Brick Building with LEGO® Camp

Beginner coding camp uses a variety of robotic and app-based formats in addition to fun building with LEGO® throughout this cool camp week! Learn some of the coding elements while building with LEGO® to keep the creative juices flowing.

Play-Well TEKnologies LEGO® Camps flickr

Play-Well TEKnologies provides project-based camps designed to teach the principles and methods of engineering using LEGO®. The curriculum is designed by engineers. It builds on the math and science skills you learn during the school year. Utilizing over 20,000 pieces of LEGO® for each class, we engage you by solving real-world engineering challenges that explore concepts in physics, architecture, and engineering. Our goal is to foster a greater appreciation of how things work, and to encourage the qualities of inquisitiveness, self-reliance, and self-confidence. Pair with another half-day camp at the same location for a full-day experience with a supervised lunch hour (noon-1pm).

Science, Technology & Engineering

NEW! Spectacular Science and Magnificent Math STEAM CAMP

Ignite your child's imagination with experiential learning in a fun-filled environment. Explore fun reactions; experiment with light and shadows; and make gorgeous art with science and math during our Preschool STEAM class. Math is more fun when experimenting and playing. Learn math concepts through sorting, patterning, counting, graphing and measuring. Explore terrific tangrams and shapes. Songs, art projects and manipulatives are incorporated to help this preschool experience be meaningful and stimulating.

Club SciKidz: Little Engineer

Sir Isaac Newton never had this much fun! Learn how and why things work. Design and build different projects. Become immersed into our toy maker's workshop as you construct and take home several toy projects that teach an important physical property. Experiment with a Pocket Rocket. Take aim with a Marshmallow Launcher. Construct a sponge ball slingshot. Learn about electricity and circuits with a Snap Circuit Board — and you get to bring it home! Become an engineer and teach family and friends how electricity works by demonstrating oodles of exciting builds that light up and make noise. Sign up early! Section limited to 8 campers. Must be fully toilet trained.

Cyberteck Academy: Coding, Design & Minecraft Modding

Morning: Coding & Design with Scratch
Software: Scratch 2.0 | Skill Level: Beg.-Int. | Enjoy this introduction into the wonderful world of programming! Learn basic programming concepts using a simple drag-and-drop interface within the software Scratch, a project developed by the MIT Media Lab. Use your imaginations and implement creative thinking, while at the same time learning how to create and program simple games. Use premade art assets or create your own. Then learn how to program them to walk, talk, and interact with objects. You learn logic and visual programming to create a simple, 2D Video Game in Scratch 2.

Afternoon: Minecraft Modding
Software: MCreator | Skill Level: Beg.-Int. | Enjoy creating your own custom game play items and elements using MCreator and Minecraft. Learn how to create artwork for various items and implement them into the game with custom behaviors. Design your own custom blocks, weapons, food, biomes, and more! Do you spend hours playing Minecraft? Then come learn how to improve your gameplay experience and create your own custom mods to take home!

Cyberteck Academy: Coding in Minecraft & Animation using Minecraft

Morning: Coding in Minecraft with LUA
Software: Minecraft | Skill: Beg.-Int. | Using a custom mod called "Computercraft," learn how to program robots called "Turtles" inside the world of Minecraft. Utilize problem-solving skills by learning how to program your robots to complete various tasks and objectives (ex: programming your turtles to automatically build, mine, and craft items and structures). Enjoy this introduction to programming "if-then-else" statements, "for-while" loops, and implementing your own functions using Lua, a simple scripting language.

Afternoon: Animation using Minecraft
Software: Mine-imator | Skill: Beg. | Learn how characters move and look alive in movies and video games! Become engaged through an intro to basic 2D and 3D animation techniques using Minecraft characters and stages. Expand your perception, observation, timing skills, imagination, and storytelling skills by studying motion in reality; then applying it to animation. Learn how animators work by completing short animation exercises and projects. Apply acting theories and animation principles to scenes you create.

Therapeutic Recreation & Accommodation Services

- The Department of Recreation and Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.
- Individuals with disabilities are encouraged to register for general recreation programs of their choice. Howard County Recreation & Parks has developed an inclusion process to better accommodate individuals with disabilities. This process has been recently updated.
- To ensure that we meet your program needs, please contact Tori Laing, 410-313-4708 or vlaing@howardcountymd.gov Therapeutic Recreation Coordinator, at least two weeks before the program begins to request accommodations.

The Process to Request Accommodations:

1. Choose your fun! Look through the guide and find a program you or your family member would like. Howard County Recreation & Parks has many programs to choose from. You are always welcome to call us if you would like some guidance when choosing.
2. Once you know what program you'd like to participate in, the next step is to register. When registering, let us know that you will need an accommodation. You can register online, over the phone, or in-person at our community centers.
3. Once registered for a program, request an accommodation through our Accommodations Portal at www.HowardCountyMD.gov/Therapeutic-Rec. This portal will ask you for information about the program you have registered for and what type of accommodation you are requesting. Our Therapeutic Recreation team receives a notification when your request has been submitted.
4. After your request has been made through our portal, an Accommodation Assessment link will be sent to you via email or the postal service. This assessment needs to be completed two weeks prior to the start of a program. This assessment will allow our team to better serve you and your loved one and gives our staff more information on how to make the program a success. Note: You only need to complete the Accommodation Assessment once a year; however, you must send all accommodation requests through the Accommodation Portal for each program you register for.
5. Once our team has received the completed Accommodation Assessment, we will reach out to you within three business days with a phone call or an email confirming your request and to discuss strategies for inclusion. Please remember that increasing the staff-to-participant ratio is never guaranteed and is judged on a case-by-case basis. We will make every effort to provide reasonable accommodations on an individual basis. Please note that all required paperwork must be completed for requests to be reviewed.
6. If you would like to check the status of your request or if you have any questions regarding inclusion services, feel free to contact our therapeutic recreation team. We would be happy to help!

General Information

Camp information provided in this Guide is tentative. Consult www.HowardCountyMD.gov/rap for the most up-to-date information.

Registration

Camp fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

*Waiver: In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any camp or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many camps will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's camp is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the camp director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate camp or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel camps, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a camp is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2021 Federal Tax Transcript (or 2022 once completed) and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by www.HowardCountyMD.gov or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw from a camp for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities.

Customers requesting a refund prior to three weeks before the camp starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within three weeks of the camp starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment, etc.) associated with the camp. There are no refunds given for missed camp days.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor camps will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled camps will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, camps in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual camps and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, and a listing of jobs within Howard County Government, visit www.HowardCountyMD.gov. The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.HowardCountyMD.gov/rap or call 410-313-4639.

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.HoCoVolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Info: www.HowardCountyMD.gov/HCRPSponsors or Anna Hunter, 410-313-4686 or ahunter@howardcountymd.gov.
