I've been in the industry 48 years and consider myself blessed to have worked with some absolutely fantastic people in many great companies.

I have worked as a Reporter, Photographer, Anchor, Producer, Assignment Editor, Assignment Manager and Station Manager.

I was News Director in Steubenville/Wheeling, Flint/Saginaw/Bay City, and Charleston/Huntington. I served as Vice President of News for ownership group WV Media Holdings, and I'm currently in the position of Vice President/General Manager for Nexstar Media's Wheeling/Steubenville television and digital properties.

While I love what I do, and really enjoy working for Nexstar, I plan to retire at the end of July.

Thanks for your interest. Let me know if you have other questions.
