Subject: New News Director - Caitlin Huff

Hello Team,

I'm pleased to announce that Caitlin Huff will join us as our new News Director starting mid-June. She is currently the Digital Executive Producer at WKRN in Nashville. She comes to us with impeccable references and the news experience needed to keep us moving in the right direction.

Caitlin started her journalism career here at WBKO after graduating from Troy University 13 years ago. Join me in wishing her a warm welcome back to WBKO.

Thank you,

Tim Coles
