SPEAKER

Sandy Walsh, RVT, CVPM

Sandy brings to you over 25 years of experience in the veterinary field. She has worked her way through every support position in the hospital from Pet Care Attendant to Regional Operations Manager and provides a real “in the trenches” approach to her management and teaching style. She is a consultant and speaker who works with veterinary practices to be the best that they can be.

RACE provider #203, programs are pending approval.
