Laura Bradshaw is with **Adam P Bradshaw**.

I'm very sad to share that our beloved brother, Adam P Bradshaw, has passed away. He had been suffering with a lung infection and was found in his home Sunday afternoon.

Adam was proud of his life-long career in TV broadcasting. He was News Director in Las Vegas, Nevada where he was inducted into the Nevada Broadcasters Association Hall of Fame. His most recent position was News Director at KFDX in Wichita Falls, TX. Adam loved his family and the Wisconsin Northwoods. He will be missed.
