We are pleased and excited to announce Steve Doerr as the new General Manager at KRDO, effective June 1. Steve brings a breadth of experience, from network to large market to small market as a GM and News Director. Most recently, Steve was the GM for Meredith/Gray in Springfield, MA.

He already has connections with NPG as he was a GM for Ian Guthrie in a previous life and served as Mark's News Director in Atlanta. We are confident that Steve fits the NPG culture and will build on the success and momentum that Mark has created over the past five years

Steve and his wife Anne are excited to move to Colorado Springs and begin their next chapter.
