The Circle for Children is reported to be the longest running women's charity for children in the state of Georgia. Operating continuously since 1927, we have a rich tradition of financial giving and personal encouragement to disadvantaged youth throughout metro Atlanta and Georgia.

- This 100% volunteer organization has contributed millions of dollars in aid and scholarships, as well as countless hours of hands-on service to youth who have suffered abuse, neglect and abandonment.
- The monetary donations we provide help fill the gap between government and civic funding.
- Our leaders organize fundraising events and charitable efforts as well as social gatherings to forge long term bonds among the membership – enhancing the Circle's outstanding history and legacy.
- The Circle is a registered 501(c)3 organization.
