

Stop It Now!®

Please join us for a webinar:

“Dear Stop It Now! Helpline... I’m worried my partner is a pedophile”

For the 2nd webinar of our “*Dear Stop It Now! Helpline*” series, we will again look at a letter sharing a real-life situation where children’s sexual safety and well-being may be at-risk. Information, along with practical tools and resources, will be shared, based on Stop It Now!’s 25 years of providing informed and compassionate guidance to support adult’s protective actions.

Date: Wednesday, October 11, 2017

Time: 3pm – 4pm ET

Description: There are few things that can be as worrisome as wondering if your partner could be at-risk to sexually abuse children, or worse, discovering evidence that abuse has already happened. This webinar features a letter from a woman who is concerned about warning signs she’s seen in her boyfriend’s internet use, and is wondering if he is a pedophile. We will share our Helpline’s response to her letter as well as review warning signs in adult’s behaviors that could mean they are at-risk to harm a child and share tips on how to have caring and productive conversations. We’ll also offer steps and resources to consider when there are warning signs that children are at-risk of abuse or if there is abuse already occurring through the online viewing of illegal child sexual abuse imagery.

To register: visit www.stopitnow.org/dearstopitnow

Webinars are available for a voluntary fee of \$10.00 (U.S.). No one will be turned away for inability to pay, but to help us keep our materials and services available and accessible to all, please consider supporting Stop It Now! with this voluntary fee.
