Subject: Big News! RE: Mark Glover

All,

Mark Glover will be leaving WBRC in a few weeks. He has accepted the News Director position at WDKY in Lexington, KY. Under Mark's purview, WDKY will begin producing morning and late news. He will oversee hiring of the staff, as well as the studio, set and newsroom construction.

Mark's work ethic and news judgement are unfailing. He has led our team through countless breaking news and severe weather events, guided the team during the pandemic, helped implement research, and other major newsroom changes. His contributions are innumerable. This change is a much-deserved promotion and move to his home state. He and his wife will be closer to family, too.

Congrats to Mark! Thank you for leaving WBRC better than you found it.
