Hi Everyone,
I want to share with you a personal decision I've made to depart KARE 11. As I reflect on the last two years, I am proud to have had the opportunity to lead our incredibly talented team. Each day, you do exceptional work serving our community and our clients. My last day with the station is June 16.

You'll be hearing from Larry Delia regarding next steps.

I wish everyone continued success,

BILL DALLMAN
PRESIDENT & GENERAL MANAGER
