Mothers Day Rose Altar - May 12

In tribute to our mothers, we are resuming the Rose Altar flowers.

Red roses represent those moms still with us.

White roses for those departed.

Roses symbolize love, admiration and gratitude. You can also honor the women in your life who served as a mother figure.

We are offering these roses for $5 each. They will be prepared with water vials for fresh presentation.

You will be invited to claim your tributes at the close of the services on Mother's Day, May 12.
