I am pleased to announce that Joshua Eure is joining BNC as Senior Director of Live Programming - Washington D.C. Bureau. Joshua will be in charge of the day-to-day editorial decision making in the Bureau and will report directly to me. He'll work closely with Joe Garcia to coordinate our operations, political coverage and general D.C. coverage plans. He will also work closely with Del, Kelly, Nayyera, Liz and Clara on the content needs for the D.C. based shows.

Joshua has an impressive track record in local and network news. Most recently, he was the News Director for the duopoly KXXV-TV and KRHD-TV in Waco, TX. Through his leadership KXXV-TV climbed from number three to number one in the ratings in key dayparts and demos in less than a year. On the KRHD-TV side, Joshua guided his team to launch news operations last September.

Prior to that, Joshua worked at CBS News in New York for nearly 5 years. He started his career nearly 30 years ago at WJZ-TV and has produced newscasts in Greensboro, Baltimore and Philadelphia. Joshua gained executive producer credits in Miami, Atlanta and New York. He was the assistant News Director at KPNX-TV in Phoenix and spent nearly 5 years at ABC News in New York in a variety of roles including coordinating producer and senior producer.

Joshua is a graduate of Morgan State University. He and his 11-year-old daughter Sophia and 7-month-old dog Miles will be relocating to the D.C. area from the Bay Area. Joshua is from the Eastern Shore of Maryland. So as you can imagine, he is delighted to be returning to the DMV to be closer to his family.

A note from Joshua, "I am very humbled by this opportunity to join the BNC leadership team. The network has an important role to play in educating and uplifting the Black community moving forward. My mission is simple: win the day."

Joshua's first day on the job will be March 1st. Please join me in welcoming Joshua to the BNC family.
