Subject: We Finally Have a News Director!!

And the wait was so worth it!

His name is Kyle Fobe (pronounced Fobie), and he is the current News Director at ABC57 in South Bend, a Weigel station.

Many of you met Kyle when he visited the station a couple of weeks ago and had really nice things to say about him. And the feeling was mutual.

Kyle was impressed with everyone he met and can't wait to join the team.

A few things about Kyle:

- Born and raised in Indiana.
- Graduated from Ball State (also David Lettermen's alma mater)
- News Director at ABC57 for 3 years
- News Director in Altoona (Nexstar) for 2 years
- Many years as an Executive Producer and Producer
- 2-time National Murrow Award winner
- 9-Time Emmy Award winner
- And more…

His start date is August 7th, give or take.

Please join me in welcoming Kyle to the team!

Lyle
