Rick,

You'll probably hear that I've decided to leave ABC15 and Scripps. I want you to know that it is completely my decision, and one made with tremendous respect for Scripps and my supervisor and colleague of many years, Anita Helt. I've been in broadcast journalism since 1974 and a news director since 1991. It's an exhausting, exhilarating, and fulfilling profession. My good fortune has been interactions with great people and mentors who tolerated and taught. What's next? I'll always be a journalist and have a few writing projects in the works. Other than that, R and R.

Be safe and be well,

Mark Casey
News Director
