TMJ4 Team:

I am excited to announce that Tim Vetscher has been promoted to news director at TMJ4. Tim will start in his new role next Monday, Feb. 8.
Tim has been a leader in our newsroom since he joined us in 2019 as editorial director. His ability to execute on our content strategy and the Scripps mission in a dynamic news market has allowed us to better serve our audiences and the entire Milwaukee community. I have no doubt he will continue to lead our team to success.

Please join me in congratulating Tim during an all-station Zoom meeting at 10 a.m. Reach out with any questions.

Thanks,
Joe
