Hey there, hope you're making it thru the challenges of our reality right now.

I wanted to reach out and let you know that after 41 years, I'm retiring from TV.

For the past 3 years, I've been the News Manager at FOX 28 in Savannah, GA. and am planning to stay here when I retire.

In my long (and very mobile) career, I've worked at 15 TV stations including ones in Miami, Dallas, Portland, Nashville (twice) and Tampa along with smaller markets like Mobile, Sarasota and Charleston.

This is my second time in Savannah, since I started out as a reporter/anchor here in my first job after college.

I'm hoping you'll be able to mention this in your newsletter this week?

My last day at WTGS will be next friday (3/12)

If people want to reach me, my personal email is katie_faye@yahoo.com.
