Team,

I am happy to announce Scott Flannigan has accepted the News Director position here at KCTV5 / KSMO. Scott is currently the News Director at our sister station WALA-TV in Mobile, Alabama and has led that team since 2014. As the News Director in Mobile, Scott helped WALA-TV earn best investigative reporting four consecutive years. He also led the team to earn 2 Regional Edward R Murrow Awards for best investigative and feature reporting. In 2018, Flannigan was awarded the Alabama Broadcasters Association's first ever Don Markwell Sentinel Award for journalistic integrity. This award followed 3 years of legal battles to attain police body camera footage from the Mobile Police Department.

Scott is married to a former news anchor, Kate Mundy. They have a son and two daughters who are thrilled to be moving to Kansas City.

Please join me in welcoming Scott and his family to KC!

Scott's first day will be July 27th.
