Team,

Today I am very sad to share with you that, due to personal health issues, I am stepping down as News Director at WBRE and WYOU. My last day will be Friday, January 27, 2023.

It has been a great honor and pleasure to be part of the team here, as we have continued to build and expand on the long-standing strengths of Eyewitness News.

We've had a year of extraordinary breaking news and other big news events. Each time, you have done amazing work and produced in-depth, top-quality, comprehensive coverage that has outperformed our competitors.

Thank you for letting me be part of the team for the past year. I deeply will miss working with all of you.

During the next three weeks, I'm still here to help ensure a smooth transition. Please let me know how I help you. If you have questions or there is anything you need, please reach out to me.

Thanks, again,
Craig
