MARCH UPDATES

As we bid farewell to the quiet winter season here on the Ranch, we eagerly embrace the bustling on set of Spring. March was a vibrant and exciting month for us, hosting four weddings and creating unforgettable memories for our cherished couples. We were also excited to host returning corporate guest, The Garden Greenville's 3-day retreat for the 2nd year in a row. March was just the beginning of a very busy 2024 here on the Ranch.

EXCITING NEWS AT THE RANCH!!

We are thrilled to announce the adorable arrival of baby goats!! Our furry friends have been busy welcoming their little ones into the world and we couldn't be more delighted to see these tiny bundles of joy hopping around the field. In the past couple of weeks, we have had six babies born to four mommas, here on the Ranch. While they are all cute, Ranch favorite is the runt of the recent arrivals, that we named Niblet. Niblet and his brother Biscuit were the first of the six kids to be born on the ranch recently. Unfortunately, Niblet's mom found taking care of twins to be overwhelming and little Niblet was left to fend for himself. Don't feel too bad for him, we are giving him lots of love and bottle feedings to make sure he grows big and strong like the rest of the herd. Although, we worry he may be a little confused on whether he is a goat or a person. Stay tuned for more updates and get ready for some cuteness overload!!

OUR OTHER NEW ARRIVAL

We are excited to welcome our newest staff member Penny Kimbrell. Penny is the Ranch's administrative assistant. She handles all of the administrative details that help keep the Ranch running smoothly BUT SHE CAN ALSO OFFICIATE OR BARTEND for your wedding. Penny is a recent transplant to the Upstate having spent 25 years in Florida. When she is not at the Ranch, you can find her and her husband Scott hiking, biking, kayaking, chasing waterfalls and enjoying all the amazing outdoor activities offered here in the beautiful Upstate.
