Practice Manager Membership Benefits

A Better You... A Best Practice.

10 Ways Greater St. Louis MGMA is here to help!

1. Register for educational **lunch meetings** on important topics you need to know regarding medical practice management. Members receive substantial event discounts.

2. Stay informed! Read our monthly **newsletter** filled with the latest industry trends, peer articles, business resources, upcoming events & Chapter information.

3. Plan to attend the **annual conference** each fall for a day of education for both experienced and new practice managers as well as A/R professionals.

4. Participate in our **webinars** to enjoy quality education right on your computer - the webinars are even free for members!

5. Network with **Business Partners** who are dedicated to delivering products and services to help your practice.

6. Gain insight from experienced practice managers or share your knowledge through the **mentor program**, peer-to-peer forums or CMPE study groups.

7. **Connect** with other practice managers at Chapter events to share ideas, discuss challenges and discover new resources for your practice.

8. Part of a larger healthcare system or group? We have **discounted membership rates** for practices with 6+ practice manager members.

9. Ready to raise your profile? Become **nationally recognized** as an expert in the field by gaining board certification and fellowship status.

10. Get involved by becoming a committee **volunteer**. Share your ideas and help shape the future of our association.
