COVID Update: On June 10, the CDC assessed Sarasota County's COVID risk level to continue to be "high." In keeping with our session policy (printed on the back page), masks are now required of all worshipers. (Worship leaders may choose to lead without masks, since being maskless makes it easier for those persons to be understood.) Thank you for doing what we can to slow the spread of the virus. When we return to a "medium" or "low" risk assessment in the county, masks again will be optional for those who are fully immunized.

FamilyPromise

Francis House News

Blessings abound! Several months ago, the first mother-to-be and her 10-year-old son moved into Francis House, Family Promise's home for pregnant homeless women. Soon after, she gave birth to a beautiful, healthy baby boy. With support and guidance, the family planned to eventually leave Francis House and secure their own living quarters and employment.

Success! The mother arranged for childcare and is working two jobs. Several Family Promise volunteers helped the family move to their new home over Memorial Day weekend. Family Promise gave the mother the bassinet/changing table she used at Francis House, ensuring ongoing comfort for the baby. First Presbyterian Church members were extremely generous, providing additional gifts including an air purifier, sheets and comforters, flatware, a dining table and chairs, and lamps. ***The mother and son were overjoyed with your love and care!***

Thank you! Your kind spirit and good hearts have given mother and her family a brand-new start. May God bless you!

June – First Presbyterian Church Weekly Hot/ Healthy Meals! Francis House will be deep cleaned while new mothers-to-be are being identified to live at Francis House. Our church will provide the hot/healthy meal when the house is occupied during the month of June. Please contact Pam Mathes if you wish to help: **pjmathes@hotmail.com**

PW Triennial Gathering

The Synod of South Atlantic (SOSA) Epworth **PW Triennial Gathering is Friday, October 21, through Sunday, October 23.** Located in St. Simons Island, GA**,** Epworth by the Sea is a beautiful and peaceful retreat center. The gathering theme is "Plug In and Recharge."

There will be some exciting speakers, plenary leaders, and a special Saturday night guest, along with time for shopping, learning, worship and fellowship.

Our PW has funds available to cover the cost of transportation and registration fees as well as lodging and meals while at the event. If interested in attending, contact Pamela Lamb at (941) 210-7478. More information can be found at pwsosa.com.

Please Wear Your Name Tag

Don't forget to wear your church name tag to Sunday services. Seeing your name will help provide a welcoming environment for all. It will also help our new bridge pastor learn your name.

Pavilion Construction Progress

The new pavilion will create a versatile outdoor covered space offering protection from the hot sun. It will give us a shaded place that will be used year 'round for gatherings, receptions, and other events. It may even be a space for a class or a concert—the possibilities are endless.

This building project was funded with $25,000 from a Linnie Dalbeck grant, with the remainder from the J. Barr Trust designated account. The structure is scheduled to be completed in mid-July. You will continue to be updated on the progress.

Adult Education Zoom Class: "Only By God's Grace" Tuesdays at 11:30 a.m., continuing June 14 & 21

As Christians, our worship, theology and way of life all emerge in response to the grace of God. The Church proclaims the grace of God; and as members of the body of Christ, we endeavor to share God's grace with others: by word and deed, through the power of the Holy Spirit.

In this class we are exploring what it means to live out the grace of God and perceive God's amazing grace around us. This class is led by **Elaine Barnett** via Zoom on Tuesdays at 11:30 a.m. Please contact Elaine (ewbarnet@me.com) to participate. The final lessons titled are

Stories of Faith and Difference: The Sequel Friday, June 24, 6:00 p.m.

In late April a group of over sixty persons gathered for dinner and an informative, inspiring conversation around the life stories of our LGBTQ+ members. Because of the overwhelming response, we have planned a follow-up evening, sponsored by our deacons, on **Friday, June 24, 6:00 to 8:00 p.m.** in the Fellowship Hall.

This open conversation will focus on how we can better nurture and support our LGBTQ+ children and youth, and also how our congregation can better welcome persons of difference into our church.

A generous time will be allotted for questions and reflections. Suggested donation for dinner is $10 per adult and $5 per child. Call the church office at (941) 955-8119 to let us know you are coming.

Session COVID Policy

The Centers for Disease Control and Prevention (CDC) has a tool which assesses COVID-19 risk on a county-by-county basis. According to the CDC, "Levels . . . are determined by looking at hospital beds being used, hospital admissions, and the total number of new COVID-19 cases in an area." They then assign a low, medium, or high risk.

At its April 26 meeting, the session adopted the CDC's community-level risk assessment tool as our guide for masking requirements on the FPC campus.

- **If Sarasota County's risk is determined to be "high," masks will be required of everyone who is indoors on campus, unless that person is alone in a room.** (An exception will be granted to the preschool, which determines its own policy regarding masking.) **Communal meals/receptions will not be held indoors when Sarasota County's risk level is considered "high."**
- If the risk level for the county is considered "low" or "medium," masks will be optional for all who are fully vaccinated. (**As of June 10, Sarasota County is rated "high."**)

Regardless of assessed risk-level, it is the session's desire to create a mask-friendly environment, in which anyone who chooses to wear a mask, even when it is not required, will feel supported in that decision.

Here's the CDC website:

https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html

Thank you for the flexibility and concern for your neighbors that you have demonstrated since the earliest days of the pandemic. You continue to be an inspirational community!
