RRP Lead-Based Paint Certification

INSTRUCTOR

Chuck Griffith
Certified EPA & EPD, RRP Trainer
T&C Safety Training Institute, LLC

Chuck Griffith is a certified United States Environmental Protection Agency Renovation, Repair and Painting (RRP) instructor with more than 40 years of experience in the construction industry.

Approved by both the EPA and the Georgia Environmental Protection Division since 2010, Chuck has trained thousands of contractors across Georgia, including professionals from The Home Depot, Lowe's, Window World, CertaPro Painters, and ServiceMaster.

CONTACT (678) 410-5302

THIS CLASS COVERS

1. Why lead is a problem
2. EPA, HUD, & GA EPD Regulations
3. Determining if lead affects work
4. How to:
   - ✔ Set up the work area
   - ✔ Clean the work area
   - ✔ Work safe
   - ✔ Dispose of lead waste
   - ✔ Document work

⚠ REQUIRED BY LAW

RRP Lead-Based Paint Certification is Federal EPA & GA EPD Law.

All contractors working on residential housing built pre-1978 must be lead certified.

Fines for doing work on pre-1978 housing can be as much as $37,500 per violation.

If you are interested in becoming a Qualified rehabilitation contractor under the CHIP & OHAMP housing grant programs, all interested contractors must obtain Lead Renovation, Repair and Painting (RRP) Lead Based–Paint Certification.

The RRP certification is required to participate as a qualified contractor in the CHIP Housing Rehabilitation Grant program which is funded by HUD and administered by Georgia Department of Community Affairs.

The training will be held on Friday, August 14, 2026. Details below.
