

Smart money habits start with Summit's Student Free Checking*

Let's give your student everything they need to be a smart spender and saver — building lifelong money skills, confidence and success!

Without even leaving school, your student can get:

- A convenient debit card (with a fun design!) equipped with mobile wallet, mobile deposit and controls, so you can turn off a lost card.
- Financial wellness tools to set goals, track spending and more — all available through Summit's mobile app.
- The chance to win money for college through our Project Teen Money contest.

Setting up an account is fast and easy!

- Students need to know their Social Security number — be sure to emphasize how important it is NOT to lose or share this number!
- It only takes about 5 minutes!
