We are so glad you are participating in Saint Paul's Confirmation of 2018! This is an exciting time of faith exploration. This schedule has been uniquely ordered to help us grow together and provide the very best foundation from which we can explore who and whose we are.

We ask that parents and participants do three things to help support this community:

- miss no more than 2 Sunday Confirmation classes and 3 events total
- be on time
- for the Sundays you attend Confirmation, you also attend worship

For any reason you are unable to attend worship or have questions regarding this schedule, please email Ranie at rneislar@saintpauls.org or call at 706.254.5332.
