# iCareSpace

— Connect. Hire. Grow. —

# Find the Right People. Build a Stronger Behavioral Health Team.

**iCareSpace connects your agency** with the next generation of passionate behavioral health professionals.

Post jobs, discover qualified candidates, engage with students & alumni, and strengthen your workforce—faster.

## Why Provider Agencies Choose iCareSpace

### Access Emerging Talent

Connect with motivated students, alumni, and early-career professionals in behavioral health.

### Post Jobs & Gain Visibility

Share opportunities with a targeted community that's passionate about making a difference.

### Streamlined Recruiting

Manage job postings, applications, and candidate outreach all in one easy-to-use platform.

### Build Lasting Partnerships

Engage in meaningful collaborations with educators, students, and professionals across the field.

### Strengthen Your Workforce

Improve retention, diversity, and team culture by recruiting mission-driven professionals.

## More Ways We Support Your Mission

### Clinical Placement Support

Find students for practicums and preceptorship opportunities who are ready to contribute and grow with your team.

### Employer Branding Opportunities

Highlight your agency and values to build credibility and attract top-tier talent.

### Events & Networking Access

Promote your company events to connect with future hires and community leaders.

### Ongoing Talent Pipeline

Stay top-of-mind with students and professionals now and in the future.

iCareSpace can be a game-changer for recruitment. Connect with incredible candidates who truly align with your mission.

## Let's Build a Better Future—Together.

Join iCareSpace and connect with the people who will shape tomorrow's behavioral health.
