

LEADING OUR SCHOOLS IN OUR COMMUNITIES

IASA IASB IASBO IPA ALLIANCE LEADERSHIP SUMMIT

FEBRUARY 26–27, 2019

**A jointly sponsored event
for district leadership teams:
the superintendent,
school board member,
business official and
building principal**

Welcome to the Alliance Leadership Summit! This gathering of stakeholders representing the Illinois Statewide School Management Alliance is the perfect opportunity to come together as a unified team, in order to learn and to engage legislators.

As the statewide organizations representing superintendents, school board members, principals and school business officials, our ability to influence public policy at this critical time is enhanced through our cooperative efforts.

We have an engaging agenda over the next two days, with topics related to school leadership, school funding and the legislative process.

We have staff members from all four Associations here to assist you. Don't hesitate to ask how we can help you make the most of your time in Springfield.

Thank you for joining us in this important cause.
