Home Staging 101

Course #45918

2hrs. CE

Originally homeowners were left to their own discretion as far as preparing for home showings. Though they could occasionally rely on an agent for instructions, more often than not real estate agents were just as perplexed at working out the details as the homeowner. Home staging is not a new term, but for many homeowners and real estate agents the concept of professional home staging is shedding new light on how to promote a home in the real estate marketplace.
