

Call for Resolutions (Deadline: May 23)

Each year the Great Lakes and St. Lawrence Cities Initiative releases our resolutions to governing bodies and the general public notifying them of the important issues and initiatives we will be working on over the next year. The resolutions also guide us as an organization by directing us on a set of issues we will work on.

This year's resolutions must be submitted by **May 23, 2021**. All submissions should be sent to jon.altenberg@glslcities.org. In order to submit a resolution, the member must be in good standing with the organization.

The resolutions will be reviewed and voted upon at our upcoming Annual Meeting from August 25 through August 26.

GUIDELINES

- The Board reserves the right to judge how the intent of the resolution reflects the organization's policies and reserves the right to object to resolutions that do not reflect our policy.
- The Board reserves the right not to entertain resolutions that address disputes between or among municipal governments.

We look forward to receiving your submissions. Please contact jon.altenberg@glslcities.org if you have any questions. To learn more about our resolutions and to see examples of past submittals, click here.
