Pilgrimage in the Holy Land

February 8-19, 2027

Join Bishop Sam Rodman, Bishop Anne Hodges-Copple, and Father David Umphlett on a pilgrimage in the Land of the Holy One. We will visit locations associated with Jesus' earthly ministry such as Jerusalem, the Galilee, and Bethlehem. Significant time will be spent with our Anglican brothers and sisters living in the Holy Land to learn about their daily life and to offer a ministry of presence and friendship. As their numbers continue to decrease, every moment spent with them is an affirmation of their place in the birthplace of the faith and to our abiding gratefulness for their steadfastness.

The Episcopal Diocese of Jerusalem has many life-saving and life-changing ministries. Visits to diocesan ministries include the Princess Basma Centre in Jerusalem and the Episcopal Technological and Vocational Training Center in Ramallah. Evening speakers will offer various perspectives on life in the Holy Land today.

Double occupancy: $2,955 (excluding airfare)

Single occupancy: $3,555 (excluding airfare)
