Accounts Receivable Management
Wednesday, November 10, 2021

AGENDA

11:30AM **Networking in Zoom Room with Sponsors**

11:45AM **Billing Updates for 2022**
Proposed 2022 Medicare Coding & Payment for Drug Administration Services under the Physician Fee Schedule and Medicare Regulations.
Bobbi L. Buell, Principal, onPoint Oncology, Inc.

12:45PM **Patient Saving Program for AstraZeneca Oncology Brands**
1) Review program to maximize copay/coinsurance assistance for commercially insured patients; 2) Update on enrollment and claim submission process; and 3) Discuss Access 360 hub services and coding resources.
Nicole Gregory, Sally Newberry, AstraZeneca

1:00PM **Improving Patient Collections Experience**
PayGround delivers to MOASC members a comprehensive platform that allows patients to connect with their MOASC providers, and provide them the ability to pay and track all their healthcare payments in one place. PayGround's Patient-First platform enables patients (and their dependents) to manage ALL bills in one place from across ALL their providers, helping them understand their responsibility while providing multiple payment methods to fulfill that responsibility. This leads to an average 23% patient collections improvement and 6.7 days average reduction in A/R days.
Adam Younger, MBA, Co-Founder and Chief Strategy Officer, PayGround

1:30PM **Break - Networking in Zoom Room with Sponsors**

2:00PM **Practicing with Advanced Practice Providers**
You'll learn: Who are Advanced Practice Providers and how can they support your practice; Medicare billing and payment guidelines for APP services; and What about commercial payers; and New Medicare proposals for 2022.
Elaine L. Towle, CMPE, Elaine Towle Consulting, LLC

2:45PM **Leveraging Financial Navigation to Mitigate Financial Toxicity and Improve the Bottom Line for your Revenue Cycle**
Overview of how organizations can leverage the use of financial navigation to mitigate the stress of financial toxicity for your patient population while helping improve the bottom line of your revenue cycle. This includes not only capturing additional revenues but also mitigating bad debt and giving visibility into those metrics.
Clara Lambert, Director of Financial Navigation at TailorMed and Christie H. Lee, Head of Strategic Partnerships at TailorMed

3:15PM **Closing Statement and Conclusion of Meeting.**

This is being sponsored in part, by:
