Using Our Gifts to Bless Others

Karen Sparks generously donated *beautiful* poetry cards featuring her poem, ***Precious Little Ones***, and verses from Psalm 139 to encourage our expectant moms.

Her thoughtful gift is a wonderful reminder that there are **many ways** to support the moms, dads, and babies we serve.

How could God use your unique gifts and talents to bless a Daybreak family?

We are grateful to Karen for sharing her creativity and heart for life with the families we serve.
