Medicine Buddha Online Prayers

Setting Out (Chokyi Nyima Rinpoche)

What I am about to do now is something that has the power to overcome all my negative emotions and confused thoughts. It will lead me along a path that leads from one joyful moment to another, the direct way to liberation and awakening. I want to share that joy with all beings.

Medicine Buddha Mantra (Prayer)

Tad-ya-tha om bhe-kha-dzye bhe-kha-dzye ma-ha-bhe-kha-dzye ra-dza sa-mud-ga-te so-ha

Dedication (adapted from page 169)

From the depths of my mind, with great joy, I offer and dedicate all the merits that I have to all beings as the means of healing their sufferings, with no expectation of reward for myself in return.

Aspiration (from page 169)

By the power of the infinite Healing Buddhas and the boundless pure lands, by the power of the meditations that I have done, and by the power of the merits I have accumulated, may all beings have happiness, peace, and joy.

May the mental and physical pains and sufferings of all beings cease. May the blessing light and blessing energy of the Healing Buddhas always be with every being and never apart or separate from them. May every being swiftly attain the ultimate

peace and joy, full enlightenment. May the whole universe enjoy great peace and joy, the prosperity of the Buddha pure lands.

May I always be with the blessing light and blessing power of the Healing Buddhas without separation, day and night, awake or asleep, in good times and bad, life after life, until the attainment of buddhahood. May I always be the source of blessing light and blessing energy, peace and joy, for the whole universe.
