CONSTRUCTION CAREER DAY

9.28.17• Reno-Sparks Convention Center

Construction Career Day is about introducing Northern Nevada students to careers in the construction industry and related fields. This one day event will allow students to see displays & demonstrations, learn about education, training and apprenticeship opportunities, and gain hands-on experience with interactive displays. Our goal is to come together as an industry and educate our youth and community about a profession that is exciting, pays well and is full of prospects for career development.
