WALK A MILE FOR MENTAL HEALTH
MAY 23, 2021

COVID-19 CDC and IDPH guidelines will be in place to ensure participant safety

The 14th Annual Walk the Walk for Mental Health will take place IN PERSON in a COVID safe way! The Walk will give participants an opportunity to raise funds and advocate for access to mental health services in our community by walking a mile for mental health!

Coordinate efforts and fundraise with a team this year! 100% of your donations provide services for individuals and families without equitable access.

This year, the *School Team* with the highest percentage of participation will not only have the honor of receiving ***THE BIG BLUE SHOE AWARD***, but a special ***PRIZE*** as well!

The *Community Teams* with the highest fundraising total and the highest number of participants will also receive special prizes!

THE COMMUNITY HOUSE

walk *the* walk

for mental health

Registration is $30 before May 8 and $35 thereafter. All participants will receive a commemorative t-shirt.

Thank you to our proud sponsors!
