Give Charitable HOLIDAY GIFTS this year!

What do you give the person who has everything? Wrap up a gift that will have impact. Family and friends will be touched to know that the "alternative gift" they have received will change lives far and near.

INTERNATIONAL GIFT

This holiday season, we invite you to make a difference in the lives of students at the **Sigona Presbyterian Academy in Kikuyu, Kenya.**

For over 20 years, DCPC's global mission partners at Sigona Presbyterian Church in Kikuyu, Kenya have orchestrated the educational and nutritional program at SPA —from providing hot meals and class instruction to uniforms and supplies.

Enrollment has grown by 20%, and now 180 children are enrolled in the academy. Over 50% of those students are in need of financial aid. Directors at the school carefully balance income (from tuition and contributions) with the need to pay school staff an adequate wage, purchase necessary educational supplies, and provide food for the children (many from families that are not food secure.)

The 3-story addition, which includes a new kitchen, meeting room on the second floor and new classrooms on the third floor, will expand programming for the school and the church.

Your gift will help students in Kenya learn and grow in Christ.

LOCAL COMMUNITY GIFT

DCPC will be funding and building a new home in 2026 and your gift can help make it come to fruition!

In our community mission outreach, we strive to support and improve housing options in our area. Habitat for Humanity is a great partner to help us do that.

Habitat for Humanity seeks to put God's love into action by bringing people together to build homes, communities and hope.

Habitat of the Charlotte Region is an affiliate of Habitat for Humanity International, serving North Mecklenburg and Iredell counties. HfH believes that everyone deserves decent, affordable housing. The cause of affordable housing is vital to strong families and communities because it affects so many aspects of our lives—including health, education and financial stability.

Habitat of Humanity promotes affordable housing in the Lake Norman and Statesville area through two main programs—new homeownership and critical repairs.

Your gift will help raise the walls on a new Habitat home that DCPC will build in 2026.
