The Giving Tree
teaching kids to give back

Making a Difference
2024 - 25 Academic School Year

51,`821 service projects

125 schools

21,574 students

We have worked with schools in all 5 counties surrounding Philadelphia.

Service projects have assisted area food pantries, homeless shelters, Meals on Wheels and various children's organizations.

Fighting Poverty & Hunger

Children help provide poverty and hunger relief to individuals in the homeless community by making food and cold-weather assortment bags.

3,589 service projects
2,096 students
35 schools

Feeding Minds, Filling Bellies

Through a partnership with The GIANT Company, area middle and elementary school students and their school communities fill bags of food to eliminate hunger.

15,882 service projects
2,990 students
35 schools

Building Better Citizens

This seasonal program provides students the opportunity to participate in a year-long community service program offering projects 3 times throughout the school calendar year.

2,220 service projects
740 students
13 schools

Project Impact

Students in the Philadelphia region complete projects that impact community members in need and learn valuable lessons with a strong emphasis on Empathy in everyday activities.

4,132 service projects
4,132 students
49 schools
