

## 2018 Registration Information

We look forward to you participating in the Second Annual

### **Build My Future**

#### Construction Career Day & Industry Showcase

The Build My Future Collaborative will be hosting the inaugural Build My Future showcase on March 28, 2018 at the E\*Plex, 3001 N. Grant Ave., Springfield, MO 65803.

Build My Future gives students the opportunity to have a day to work in the Construction Industry through an interactive showcase. Participating schools will send students for approximately five hours of activities provided by our industry partners. The student activities will include educational displays, equipment operations, and learning labs.

**All sponsorships and donations to the Build My Future Collaborative will be handled by the HBA Charitable Foundation with a 501C3 designation.**

We humbly ask for your sincere support via sponsorships, learning labs, or donations.

### 1. Sponsorships

Level	Program	Master	Journeyman	Apprentice	Friend of the Industry
<b>Amount</b>	<b>\$5,000</b>	<b>\$2,500</b>	<b>\$1,000</b>	<b>\$500</b>	<b>\$ _____</b>

Sponsorships may be purchased by sending in the registration form and a check written to "HBA Charitable Foundation" with the memo "Build My Future" to 636 W. Republic Rd. Ste. D108, Springfield, MO 65807. No refunds or exchanges given for the sponsorship donations.

### 2. Learning Lab / Equipment

A learning lab is where students can try their hands at various practices in the construction industry, such as surveying, concrete and asphalt mix and testing, window installation, paint labs, welding simulations, etc. Since the donation of a learning lab/equipment is a heavy time and/or material commitment, your company will automatically be listed as a sponsor.

### 3. Donations (via Giveaway Gifts and Prizes)

Any donations large or small, such as gift certificates, discount coupons, admission tickets, promotional merchandise, etc. can be used as either prize giveaways for student participation or for the "goody bags" distributed to approximately 1,000 students throughout the event. Depending on the value of the gifts donated, your company will be displayed as a sponsor as per the sponsorship levels identified above.
