## Finance Team

THANK YOU! To all the congregation for your financial support over the last year. Special thanks to those who were able to offer additional gifts during our Festival weekends.

Because of everyone's efforts, if we continue as the past few weeks have indicated we will be able to meet our operating expenses for the remainder of the year.

I've heard from many of you regarding the last Chapel Chimes article, and I thank you for your candor. The reactions I heard were mostly positive, but there were others who feel that the church is constantly asking for more.

Please know that the challenge is more around consistent giving. If we are able to maintain our giving over the summer months, we would alleviate the increased demands during Q3 and Q4. I value each of you as a member or friend of Salem, and truly appreciate all you do.

So, again - THANK YOU. Thank you for your generosity of spirit. Thank you for sharing, and thank you for caring.

Mary Mullen - Treasurer
