Help Us Say Thank You

The Vallejo Thank You Project is a way to recognize the neighbors and small business owners who take pride in their properties. A front yard kept in bloom all year, a freshly painted storefront, a thoughtful new landscape: these efforts make our streets more welcoming for everyone, and they deserve to be noticed. When someone is nominated, the Vallejo Beautification Commission mails them a letter thanking them for helping Vallejo shine. It’s a small token of appreciation for the care they put into their homes and businesses.

This is an ongoing project, and we’re counting on you to help us find them. Maybe it’s a house you pass on your morning commute that always makes you smile, a neighbor whose landscaping looks perfect every season, or a recent upgrade that has transformed the look of your street. Whenever you see a property that makes your neighborhood better, scan the QR code or visit forms.gle/JuQ8376sJqr28xiQ9 to share the address and tell us what makes it special. We’ll take care of the thank-you.

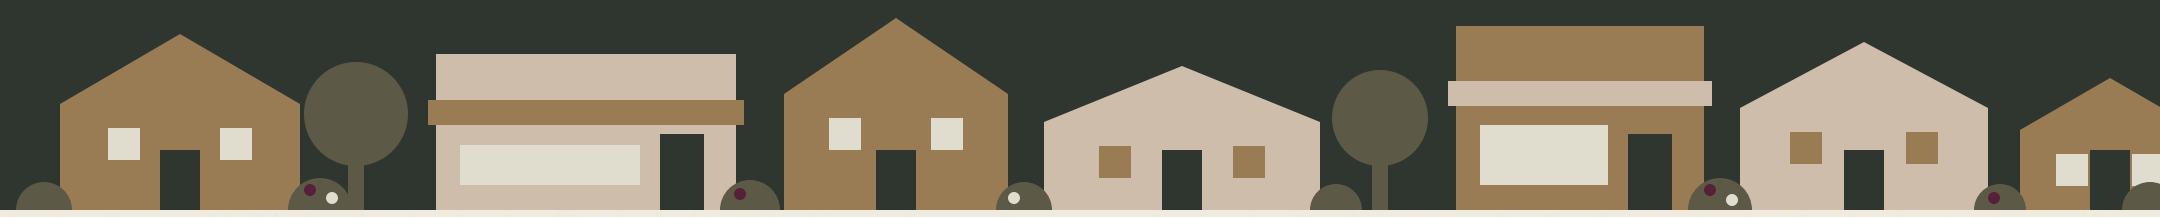
The Vallejo Thank You Project

Know a home, apartment, or business making Vallejo beautiful? We’d like to show our appreciation!



HOW IT WORKS

1. Scan the QR code
2. Share the address and what makes it special: a well-kept exterior, great curb appeal, attractive landscaping, or an inviting storefront
3. Each month, the City of Vallejo mails them a thank-you letter for their care and hard work
