Sonia's love of life and positive attitude are eternally inspiring. Along with the emotional support of family members and her many friends, they have seen her through 4 bouts with cancer. Now a fifth battle is looming and this time Sonia is going to need a little extra help. This time the cancer is inoperable and the treatment she is pursuing is not covered by insurance.

**Opening for The Safaris: Happy Notes
Vocal harmonic blends of musical favorites of the early 1900's
Piano accompaniment and direction by Kim Lewitt.**
