Mini Radios w/Nationwide Coverage

These Radios are activate on Delmarva Two-Way Radio's Exclusive "Coast to Coast" Nationwide 4G/LTE System. One year of subscriber service is included on a Private Talk Group Channel providing coverage throughout North America. Additional radios are available for purchase. We also offer compatible Heavy Duty Rugged Radios.

Running, Biking, Team Co-Ordination made easy with these Mini 2-Way Sports Radios with wide area coverage around the corner and around the country. Operating over the new cellular LTE Band System, your Team is finally able keep up with each other.

Delmarva Two-Way Radio, Inc. has been providing 2-Way Radio Sales and Service on the Delmarva Peninsula and Beyond for over 32 Years. We offer technical support and wireless solutions to commercial radio users in Education, Construction, Hospitality, Utilities and Local Government Agencies as well as supporting APCO P25 Phase II Systems. Unication & Motorola Pagers, Fire House Alerting System and Public Safety Rated Bi-Directional Amplifier Systems are a few of our special product offerings.
