Visit Metropolitan Ministries Cuisine School

Circle 9 invites all OLLI members to join us for a visit to the Metropolitan Ministries Cuisine School on Wed., Nov. 4, at 10:30 a.m.

The visit will include a tour of the facilities, including the kitchen where we'll observe students as they learn to create desserts. The class is part of a six-week culinary skills course aimed at training people for entry-level jobs. We'll not only get to taste some of the fare but also help in preparation of one item.

Metropolitan Ministries is a wonderful charity supporting homeless people with housing, education for children, job training, and more.

The tour is free; however we plan to support them by requesting that each participant bring an envelope containing a contribution to the best of your ability. This is a way to support a local charity -- before the holiday rush
