O THE OPRAH MAGAZINE **BOOK OF THE MONTH PICK**

Heather Sellers' memoir, *You Don't Look Like Anyone I Know*, was selected as an *O, The Oprah Magazine* Book of the Month pick.

A Florida native, Heather Sellers is the author of over 11 books, including five volumes of poetry, such as the award-winning *Field Notes from the Flood Zone* and *The Boys I Borrow*. Her new collection, *Women in Tampa Talking About Alligators*, presents radiant portraits of the people—and creatures—that she encounters in her wonderfully weird home state of Florida.

> "Heather Sellers' *Women in Tampa Talking About Alligators* is pure poetry magic and reinvention. Her women are resilient and practical and clear-eyed even when the skies are not clear."
