11/19/21

Dear Parents,

This week was a busy one! We took our school photos, class group photos, and had a delicious feast to end the week! Thank you to all the parents who brought in items for our feast.

This week we discussed the essential question: What places do you go to during the week? To further explore this we read the story "Please Take Me On a Walk" which told the students about a dog asking its owner to take him on a walk. We also read the story "Field Trip" about different places a class can visit. While reading these stories the students were introduced to new vocabulary such as local, neighborhood, routine, intelligent, and volunteer. We reviewed the letter C practicing the sound and words that start with the letter C.

For Math we began Chapter 5. The students are learning strategies to add. They are counting from the number, using cubes and counters to help them find the sum.

Reminder that next week is a short week. No school on Thursday and Friday. Also, Wednesday is a teacher planning day. Attending school is optional.

We learned about the story of Thanksgiving and completed some Thanksgiving crafts.

Have a lovely weekend,

Ms. Jocelyn & Ms. Adriana
